## CRISES

SVN as a Fait Malacorphique  
to the US Public.

("They would bloat; yet they will accept —  
even be glad — and it's accomplished after  
all (successfully...); anyway, the  
reaction won't be as bad as if I didn't do  
it.) Set this concent by this, afterwards.

Secrecy, deception

(to fool US public, mid-64;  
may also have fooled Hanoi!) (or GVN.)

But public (esp. Twilight), who felt  
deceived, "fooled" ...

+ war won't over quick enough

["We had to destroy democracy in order to save it."]
